PVC Box Adapters

CANTEX

Box Adapters

Box Adapters are designed to connect nonmetallic conduit to all electrical enclosures. They are used with the hub inside a box or enclosure.

- Installs by inserting the adapter through the knockout in the enclosure and then solvent welding into a coupling or adapter
- Durable non-conductive PVC will not rust or corrode
- For use with Schedule 40 & 80 conduit
- UL listed
- Made in USA

SINGLE SOURCE FOR PVC ELECTRICAL

CANTEX offers an all-inclusive line of Schedule 40 & Schedule 80 PVC electrical fittings and accessories. With several decades of experience manufacturing PVC fittings and accessories, you can trust CANTEX to provide quality products.

All of our PVC fittings are easy-to-install and offer non-conductivity, high impact, tensile strength, industry certifications, and resistance to a wide range of chemicals, acids, and salt. Our schedule 40 & 80 fittings and accessories connect seamlessly with other standard schedule 40 & 80 products making it easy to convert entire electrical infrastructures to PVC. See our full line of PVC electrical products at www.cantexinc.com.
