| | |
|-----------------|-----------------------------------|
| amperage rating | 15 |
| dimensions | 1.4000 IN X 1.3000 IN X 3.8100 IN |
| Material | Thermoplastic |
| media | Yes |
| Voltage Rating | 125 V |

Descriptions

| | |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | TVSS RECP DUPLEX 15A 125V SURGEBLOC WH |
| extra long description | EWD 1208W TVSS Recp Duplex 15A 125V |
| Features | Ideal for protecting sensitive electronic equipment, Eaton's Arrow Hart point-of-use receptacles provide branch circuit surge protection that panel-mounted devices alone cannot. Advanced diagnostic features include LED indicators to verify surge protection and ground wiring. Certain models are available with audible alarm signaling when surge protection has expired. These receptacles are also available in hospital and commercial grades with isolated ground versions. |
| Long Description | Eaton SurgeBloc protection receptacle, Audible alarm, auto-ground, Stand 6" #12 AWG leads, 15A, Comm, Wire leads, 340J, 2 recept, 0° to 40°C, Wht, Brs, Strght blade, Polycarb top and bottom, 5-15R, Dplx |
