Features	One hundred years after the introduction of the Condulet, Eator remains the leader in conduit outlet bodies with its Crouse-Hind series. The line has grown to six families manufactured in a variety of materials, and Form 8 bodies are offered in seven different shapes to provide the most flexible offering on the market. Form 8 Condulet outlet bodies provide more room for heavier conductors. Many shapes and sizes are available for rigi threaded conduit. Two cover screws on all body sizes provide tight
