Descriptions	
Description	FISH TAPE, 100' E-CLASS GLOW IN DARK EYELET
Features	E-Class™ Fiberglass Fish Tapes are non-conductive up to 1000V* for use around existing circuits and feature a glow in the dark molded eyelet for greater visibility in dark areas. A high quality fiberglass core provides column strength for good pushing and pulling capability, with a round jacket assisting in feeding through runs with multiple bends or in multiple planes. The E-Class Fiberglass Fish Tape is available in two lengths, 100ft and 200ft and a repair kit is also available.
