Make The Cut Comfortably With High-Quality Lockback Pocket Knives.

Compact and durable lockback knives ride comfortably in your pocket and open quickly and safely with one hand thanks to a textured thumb stud. The corrosion-resistant blades are made of high-quality AUS8 stainless steel for long life. Available with an ultra-slim aluminum handle or a nylon resin handle with a textured rubber insert for a sure grip. Lightweight in design (weight ranging from 1.4 to 2.5 ounces), these multi-purpose folding knives offer two blade styles- a drop point or curved sheepfoot.

Features

- Premium quality blade offers superior edge holding.
- Reversible thumb stud provides easy one-handed opening.
- Blade locks in open position.

44000, 44001

- Drop point blade is AUS8 stainless hardened to 58-59 Rc.
- Slim, stylish and comfortable aluminum handle.
- Stainless steel pocket/belt clip for easy access (44001 only).

44002, 44003

- Drop point blade is AUS8 stainless hardened to 58-59 Rc.
- Impact resistant nylon resin handle with rubber insert.

44004, 44005

- Curved sheepfoot blade is AUS8 stainless hardened to 58-59 Rc.
- Impact resistant nylon resin handle with rubber insert.

⚠ WARNINGS:

- Always wear approved eye protection.
- Never use on or near live electrical circuits.
