Klein Tools provides a wide range of knives and other cutting tools for professional applications across all trades. **Klein Tools** pocket knives are trade-tested, valuable for splitting cable and stripping wire on a jobsite, as well as performing everyday carry uses such as opening boxes or tough plastic packaging. The pocket knives are durable and easy to carry, with long-lasting, sharp blades, and are made to stand up to whatever the jobsite throws at them.

Features:

- 440A stainless steel blade
- Dual thumb studs for one-hand open
- Pocket clip keeps knife readily available
