| Features | One hundred years after the introduction of the Condulet, Eaton remains the leader in conduit outlet bodies with its Crouse-Hinds series. The line has grown to six families manufactured in a variety of materials, and Form 7 bodies are offered in 11 different shapes to provide the most flexible offering on the market. Form 7 Condulet outlet bodies approach conduit in size for neat, compact installations. Many shapes and sizes are available for rigid threaded conduit. Our Form 7 family features an exclus |
