Descriptions

Description	MC PULLER
extra long description	AFC 9989-BE PACK N ROLL BLUE BUCKET
Features	The Pack N Roll is a patented, heavy-duty portable cable dispenser designed to make managing installations using Type MC and Type AC Cables easier. Pulling cable is fast and easy, preventing tangles of cable during installation. Once installation is complete, rotate the remaining coil to pull the end back inside the system for storage. Atkore's Pack N Roll keeps the cable organized while transporting from one job site to the next. In addition, the packs are stackable, providing for easy transportation of m
