Features	Atkore offers MC Snapit, a metal stud strap that does not require any tools for installation. MC Snapit is made from durable hi-impact polycarbonate and can be used universally. It is designed to hold MC and AC 12/2 through 10/3 cables, eliminating the unsightly sagging you get with other supports. Choose from various size options, including two, three, or four circuits and the stud size, or customize your choice with the Piggyback Clip to add additional circuits. During installation, snap the MC Snapit t
