Descriptions

Description	GROUND BAR KIT FOR 400A & 600A BR LOADCNTRS
extra long description	ETN BRGBK39512 Ground Bar Kit,400A
Features	Specially designed for easy installation, Eaton's BR 1-inch load centers house the branch circuit breakers and the wiring required to distribute power to individual circuits. They serve as main breaker for service entrances or as main lug when adding circuits to existing service. The main breaker protects the entire panel and can be used as a service disconnect. The branch breakers protect the wires leading to individual electrical loads such as fixtures and outlets.
Long Description	Eaton Loadcenter Ground Bar Kit,2.34 in mounting hole distance,Kit,400 A, 600 A,Single- and Three-phase,For 400A and 600A BR loadcenters
