## CHFP120A1CS Type CH Pon 3/4" AfcI/Gfci

Eaton Corp

|                  |                                                                                                                                  |
|------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number   | CHFP120A1CS                                                                                                                      |
| Manufacturer     | Eaton Corp                                                                                                                       |
| Description      | Eaton CH Arc Fault / Ground Fault Circuit Breaker, All-In-One, 20A, 10 Kaic , Single-Pole, 120V, Plug-On Neutral, 3/4" AfcI/Gfci |
| Weight per unit  | 0.4000 (lbs/each)                                                                                                                |
| Product Category | In Circuit Breakers                                                                                                              |

### Features

|                  |                                   |
|------------------|-----------------------------------|
| amperage rating  | 20 A                              |
| dimensions       | 3.2500 IN X 4.5000 IN X 0.7500 IN |
| interrupt rating | 10                                |
| Poles            | 1                                 |
| Voltage Rating   | 120 V                             |

### Descriptions

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| extra long description | ETN CHFP120A1CS Type CH PON 3/4" AF                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Features               | Eaton's residential CH circuit breakers provide premium overload protection. The Type CH circuit breakers trip to the OFF position, eliminating nuisance callbacks. The CHF family also includes a trip flag to differentiate between a trip and the breaker being turned off. The thermal-magnetic trip curve avoids nuisance tripping on mild overloads while reacting almost instantaneously to severe short-circuit conditions. Multiple breakers have an internal common trip connection to operate all poles simultaneous |
| Long Description       | Eaton CH arc fault / ground fault circuit breaker, All-In-One, 20A, 10 kAIC , Single-pole, 120V, plug-on neutral, 3/4" AFCI/GFCI                                                                                                                                                                                                                                                                                                                                                                                                |
| Product Type           | Type CH Pon 3/4" AfcI/Gfci                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Special Features       | All-In-One                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

### Manufacturer Information
