## CI305 Pir Ceiling Occ Sensor 24 VDC, Center Mount 360 *Wattstopper*

|                  |                                                                                                                           |
|------------------|---------------------------------------------------------------------------------------------------------------------------|
| Catalog Number   | CI305                                                                                                                     |
| Manufacturer     | Wattstopper                                                                                                               |
| Description      | Wattstopper'S Ci-300 Passive Infrared (Pir) Ceiling Sensors<br>Automatically Turn Lighting On and Off Based On Occupancy. |
| Weight per unit  | N/A                                                                                                                       |
| Product Category | Lighting Occupancy Sensors                                                                                                |

### Features

|                       |                                             |
|-----------------------|---------------------------------------------|
| body                  | Plastic                                     |
| Connection Type       | Wired                                       |
| indicator             | LED Light                                   |
| indoor/outdoor        | Indoor                                      |
| Input Voltage         | 24 VDC/VAC                                  |
| load                  | Magnetic Low Voltage                        |
| Mounting Type         | Surface, Ceiling Tile, 4 in Octagonal J-Box |
| Number of Connections | 1.0                                         |
| Sensor Type           | Occupancy                                   |
| supply voltage        | 24                                          |
| Switch Type           | Motion Sensor                               |
| Voltage               | 24.0 V                                      |
| Wire Size             | #14 - #10 Awg                               |
