| Manufacturer     | Eaton Wiring Devices                                                                                                                                                                                                                                                    |
| Description      | Switch, 1 Pole, 20 A, 120/227 V, Thermoset (Body);Nylon (Toggle) Material, Silver Alloy Contact Material, Gray, Screw Connection, Toggle Actuator, Screw Mount, 1.30 (L) X 0.920 (W) X 4.20 (H) In, -40 °C Operating Temperature, +75 °C Operating Temperature, 0.15 LB |
| Weight per unit  | 0.1240 (lbs/each)                                                                                                                                                                                                                                                       |
| Product Category | Gen Purpose Switches                                                                                                                                                                                                                                                    |

### Features

|                 |    |
|-----------------|----|
| amperage rating | 20 |
| Poles           | 1  |

### Descriptions

|                        |                                        |
|------------------------|----------------------------------------|
| Description            | SWITCH TOGGLE SP 20A 120/277V SWIRE GY |
| extra long description | EWD CS120GY Switch Toggle SP 20A 12    |

### Manufacturer Information

|       |                       |
|-------|-----------------------|
| Brand | COOPER WIRING DEVICES |
| GTIN  | 00032664488283        |
| UPC   | 032664488283          |

### Taxonomies, Classifications, and Categories

|                      |                                |
|----------------------|--------------------------------|
| Category Description | Commercial switches            |
| Type                 | Commercial grade toggle switch |

### Packaging

|                 |       |
|-----------------|-------|
| Carton          | 10    |
| Package         | 50    |
| Weight Per each | 0.124 |

### Uses, Certifications, and Standards

|             |                                                                                                               |
|-------------|---------------------------------------------------------------------------------------------------------------|
| Application | Commercial / Institutional Buildings / Structures - Commercial / Institutional Buildings / Structures - Other |
| standard    | NOM,cULus Listed,Federal Specification Classification 6241 05                                                 |
