| Features               | Crouse-Hinds series EYS and EZS explosionproof sealing fittings restrict the passage of gases, vapors or flames from one portion of the electrical installation to another, limit explosions to the sealed off enclosure, and limit pre-compression or "pressure piling" in conduit systems. EYS sealing fittings are available for installation in either vertical only or in both horizontal or vertical positions. They are available in a variety of materials, including Feraloy iron alloy and/or ductile iron, copper- |
| Long Description       | Eaton Crouse-Hinds series EYS conduit sealing fitting, Female, Feraloy iron alloy and/or ductile iron, Vertical or horizontal, Group B rated, 1-1/4"                                                                                                                                                                                                                                                                                                                                                                          |
| Product Type           | 1 1/4 NPT Fem CST Iron Ver/Hor Seal FTG                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Special Features       | Horizontal/Vertical Position                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
