

## Elliott Electric Supply

We Deliver...Lower Cost, Quality Products, & Personal Service

2310 N. Stallings Dr. 75964-0000, TX Nacogdoches Phone: 936-569-7941 Fax: 936-560-4685

## FNQR7 Class CC TD Fuse Bussmann Fuses

| Catalog Number         | FNQR7  |
|------------------------|--|
| Manufacturer           |  |
| Description            | Eaton Bussmann Series Class CC Fuse, FNQ, Time-Delay,          |
| ·                      | Dual-Element Current Limiting Fuse, 7 A, Rejection Style Fuse, |
|                        | Interrupting Rating Of 200KA At 600vac                         |
| Weight per unit        | 0.0150 (lbs/each)  |
| Product Category       | Dual Element   |
| atures                 |  |
| amperage rating        | 7  |
| dimensions             |  |
| Fuse Class             |  |
| interrupt rating       |  |
| Material               |  |
| media                  | Vac  |
| Response Time          |  |
| Voltage Rating         |  |
| mensions and Weight    |  |
| Size                   | 13/32 In Diameter X 1-1/2 In Length                            |
| scriptions             |  |
| Description            | CLASS CC TD FUSE   |
| extra long description |  |
| Features               | Bussmann's Class CC fuses set the standard in Class CC fuse    |
| reatures               | performance in the industry. Recognized for their superior     |
|                        | performance, Bussmann has the right product for your circuit   |
|                        | and equipment protection needs. These branch circuit rated,    |
|                        | 600v, 200,000a IR fuses offer exceptional protection in the    |
|                        | smallest package of any UL class of fuses. Choose from the     |
|                        | ultimate protection provided by our Low Peak LP-CC fuses, the  |
|                        | time delay of our FNQ-R's for your control transformer and     |
|                        | similar control applications or                                |
| Long Description       | Eaton Bussmann Series Class CC fuse, FNQ, time-delay,          |
|                        | dual-element current limiting fuse, 7 A, rejection style fuse, |
|                        | interrupting rating of 200kA at 600Vac                         |
| Product Type           | Class CC Time Delay  |
|                        |  |
