GGC1000 #95 GRND CLP 100 CNT

NSI INDUSTRIES

Catalog Number	GGC1000
Manufacturer	NSI INDUSTRIES
Description	Use NSIâ€™s GGC-1000 Green Grounding Clips for quick and easy grounding of copper conductor against the wall of an electrical junction box. To install, simply slide the stripped grounding wire into the clip and then place the clip opening over the side wall of the metal box. To secure the clip, place a flathead screwdriver into the push tab and then drive the clip onto the box wall. Clip comes in a package of 100 units. Stock products you can rely onâ€”stock NSI.
Weight per unit	0.0300 (lbs/each)
Product Category	Ground Rods & Grounding System

Features

Warranty	1 YEAR

Descriptions

Description	#95 GRND CLP 100 CNT
Features	NSI grounding and bonding products rise to the occasion in a wide variety of environments with excellent material quality and flexible designs. These green grounding clips offer a convenient and reliable solution for connecting copper ground wires to the outer wall of an electrical junction box. To install, simply slide the stripped grounding wire into the clip, place the clip over the side wall and then secure the clip in place by driving the clip down with a flathead screwdriver placed into the push tab.
Long Description	Use NSIâ€™s GGC-1000 Green Grounding Clips for quick and easy grounding of copper conductor against the wall of an electrical junction box.
