

## DESCRIPTION

Designed for sloped ceiling installations for ceilings from 2/12 to 12/12 pitch. The socket aiming mechanism allows the lamp to be aimed straight down regardless of ceiling pitch. H6451C is sealed and gasketed to limit airflow between plenum and heated or air conditioned areas.

## SPECIFICATION FEATURES

### A...Reflector/Baffle

Round aperture matches other recessed downlights and provides a clean finished look.

### B...Trim Ring

Aluminum Trim Ring

### C...Housing

Aluminum single wall housing.

### D...Junction Box

Junction Box is UL listed for through branch circuit wiring and has seven 1/2" knockouts with true pry-out slots and four Romex pry-outs slots with integral strain relief.

### E...GOT NAIL! Pass-N-Thru™ Bar Hangers

Bar Hanger Features include:

- Pre-installed nail easily installs in regular lumber, engineered lumber and laminated beams
- Safety and guidance system prevents snagging, ensures smooth straight nail penetration and allows bar hangers to be easily removed if necessary.

- Automatic levelling flange aligns the housing and lets you hold the housing in place with one hand while driving nails
- Housing can be positioned at any point within 24" joist span
- Score lines allow "toolless" shortening for 12" joists
- Bar hangers may be repositioned 90°
- Bar hangers do not need to be removed from frame for shortening
- Integral T-bar clips snaps onto T-bars - no additional clips required

### F...Socket

Exclusive socket aiming mechanism swivels and rotates to properly align lamp. Lamp socket and trim can be adjusted 20° laterally for compound slope ceiling or to compensate for off axis aiming. Socket plug provides protection against paint overspray.

### G...Integral Thermal Protector

Integral thermal protector guards against improper lamping.

### Labels

- UL Listed for Damp Location
  - UL listed for Feed Through
  - UL listed for Direct Contact with Insulation and combustible material
  - CSA Certified
- Meets following requirements:
- State of California Title 24
  - Washington State Energy Code
  - International Energy Conservation Code (IECC)
  - New York State Energy Conservation Construction Code
  - Certified Under ASTM-E283
