| Description | E-STOP TWIST-RELEASE |
| extra long description | ETN M22-PVT E-STOP TWIST-RELEASE |
| Features | This attractive, functional line of pushbuttons features a space-saving construction that enables fast assembly. The complete illuminated M22 line offers LED light units to ensure high-quality brightness and up to 100,000 hours of illumination. Because of the rugged design of these pushbuttons, most operators and contact blocks exceed five million mechanical operations. |
