Descriptions

Description	POTENTIOMETER SIL-BZL 10K
extra long description	ETN M22-R10K POTENTIOMETER SIL-BZL
Features	This attractive, functional line of pushbuttons features a space-saving construction that enables fast assembly. The complete illuminated M22 line offers LED light units to ensure high-quality brightness and up to 100,000 hours of illumination. Because of the rugged design of these pushbuttons, most operators and contact blocks exceed five million mechanical operations.
