extra long description	NSI WW-HR-75 Linerless Rubber Tape
Features	Its Warrior Time. At NSI, we put our 45 years of experience in the electrical industry into WarriorWrap, electrical tape strong enough to rise to any challenge. That quality starts with strong adhesion to stick to uneven surfaces. But that's not allâ€″it also features the best breaking strength around and unmatched elasticity. This high-voltage linerless rubber splicing tape can handle the toughest jobs, like the insulation and jacketing of splices on power cables from 600-Volt up to 69,000 Volt. The self
